SUBJECT: **HEALTH ADVOCATES, LLC – A DEPARTMENT OF PUBLIC SOCIAL SERVICES’ SUPPLEMENTAL SECURITY INCOME APPEALS REPRESENTATION SERVICES PROGRAM PROVIDER – CONTRACT COMPLIANCE REVIEW**

At the request of the Department of Public Social Services (DPSS), we reviewed Health Advocates, LLC’s (Health Advocates or Contractor), compliance with their County contract and other applicable guidelines for Fiscal Year (FY) 2009-10. DPSS contracts with Health Advocates, a private, for-profit company, to provide DPSS-referred participants with Supplemental Security Income (SSI) Appeals Representation Services (ARS). Health Advocates provides ARS when the participants appeal the Social Security Administration’s (SSA) denial of their SSI benefit applications.

DPSS paid Health Advocates a fixed rate of \$1,142 for each SSI appeal case that the SSA approves, totaling approximately \$1.1 million during FY 2009-10. Health Advocates provides services to residents of all Supervisorial Districts.

Results of Review

Health Advocates provided the services in accordance with their County contract, and met the contract’s performance outcome measures. In addition, the Contractor’s staff had the required qualifications, and were paid in compliance with the County’s Living Wage Program. We have no findings or recommendations for the Contractor.

Review of Report

We discussed our report with Health Advocates and DPSS in October 2011. Health Advocates is not required to submit a response to this report, because there are no findings or recommendations.

We thank Health Advocates and DPSS for their cooperation and assistance during this review. Please call me if you have any questions, or your staff may contact Don Chadwick at (213) 253-0301.
